Chemical Week
INDEX

Volume 99

July-December, 1966

McGRAW-HILL CO., INC.
330 West 42nd Street – New York, New York 10036

A

Accounting – Auditing – CPA Roth: listing new audit steps to prevent another "soy oil scandal" ... Oct 8 27
– letter ... Oct 29 5
Acetaldehyde – Celanese plans Bayport, Tex. plant ... N Nov 5 20
Acetic acid – Borden's acetic acid from carbon monoxide and methanol plant at Geismar, La. ... N July 30 50

Acetylene
Du Pont new process to make tetrahydrofuran ... N Dec 10 89
Wulff process acetylene plants will go onstream this month in G. Britain ... N Sept 10 80
Achema – Exhibition and congress in Frankfurt am Main, W. Germany – Behind the News ... Dec 10 5
Acquisitions and mergers see under individual names in **Company Index**
Acrylates – Sohio process for making acrylonitrile ... N Nov 26 91
Acrylic fiber see **Fibers**

Acrylonitrile
Acrylo pact signed by Showa Denko and Toho ... R Sept 17 116
Acrylo: where will it all go? ... July 16 35
Latin America first plant contract award ... N July 9 48
Monsanto's plant at Chocolate Bayou, Tex. addition ... July 16-35, N July 30 40
New catalyst for Sohio's acrylonitrile process is based on depleted uranium ... N Nov 12 93
Sohio's, Lima, O. plant starts production ... N July 9 48
Methacrylonitrile production ... N Dec 3 65
Sohio's process for making acrylates from acrylonitrile ... N Nov 26 91
Styrene-acrylonitrile (SAN) molding powder prices ... N Aug 6 39
Acrylonitrile-butadiene-styrene (ABS) see **Plastics**

Additives
Antistatic additive ... C Oct 1 81
Debubbler for paints ... C Nov 12 106
Diesel fuel exhausts additive ... N Oct 29 48
Fuel additive to reduce sulfur trioxide and smoke from power plant boilers ... N Dec 3 75
Fuel-oil additive ... C Nov 26 28
Odor-and smoke-modifying additives makers look for market boost in California's work on standards for diesel exhausts ... July 23 75
– letter ... Sept 3 13
Additives see also **Food additives, Gasoline, Lubricants**

Adhesives
Adhesion aid for PVC-based inks ... C July 16 102
Butyl-base bedding adhesive ... C Sept 10 107
Chemical coat for teeth ... N Nov 19 116
Coal-based adhesives bidding for metal-bonding markets ... Nov 5 77
Epoxy spray adhesive ... C Sept 17 112
Hot-melt adhesives ... C Sept. 10-108, C Nov 12 106
Marine adhesive ... C Dec 17 55
Polyamide-imide adhesive and laminating resins ... N Oct 8 92
Quick-setting adhesive ... C Aug 20 102
Resins for wax hot-melt coatings ... C July 16 102
Stripping paste ... C Dec 10 70
Structural adhesives ... R Oct 8 106

Advertising
British government orders synthetic detergent makers, Unilever and P&G, to trim product and roll back prices ... Sept 3 68
Is ad spending too high? – Viewpoint ... Sept 10 5
Major investigation of expenditures in the soap and detergent industry launched ... N Nov 5 33

Aeronautics
Airline strike will influence companies' decisions to buy or lease private aircraft ... Sept 3 24
Chlorinated polyester resins reinforced with glass for "Minute Mats" and instanding helicopter landing pats ... N Nov 12 94
Emulsified, fire-resistant aviation fuel ... N Dec 17 58

Aerosols
'Aerosol-package, Minit Foam ... Dec 3 34
Aerosol urethane varnish ... C Aug 13 132
CSMA's Aerosol Div. sets pace in attendance, innovations at crowded Florida meeting ... Dec 17 45
Fingerprint detection aerosol kit ... C Dec 17 55
Plastic bag-in-a-can aerosol container ... Dec 10 96
Police specialty – aerosol packaged tear-gas, Chemical Mace ... July 16 88
Solvent spray cleaner ... C July 16 102

Africa
African Common Market? – letter ... July 16 5
Phosphate projects ... R Nov 5 49
Africa see also **individual countries**

Agricultural Chemicals
American Cyanamid agricultural chemicals sales gain ... Dec 24 21
Farm chemicals market: producers of fertilizers and herbicides get set for sales jump as government adds 16.6 million acres for '67 wheat crop (charts & table) ... Aug 27 55
Hard facts about farms – Viewpoint ... July 23 5
Mexican market is building, but "Mexicanization" rules will make it tough to enter ... Oct 8 45
U.S. fertilizer producers to increase the use of plant nutrients ... N Oct 1 19
Agricultural Outlook Conference ... N Nov 26 47

Air Freight
Air cargo rate cuts for shippers who pack their goods in new standardized containers ... Oct 8 72
Airline strike will influence companies' decisions to buy or lease private aircraft ... Sept 3 24
Chemical air-freight shipments not affected by airlines strike ... N July 23 15
Containerized air shipments; new break for air freights ... Sept 24 46
Eased rules for containerized shipments offered by airlines ... N Sept 17 48
Air Munitions – Scaled down requirements for air munitions won't hurt chemical producers, but expansions unlikely ... July 23 58

Air Pollution
Abatement conferences planned ... N Nov 26 47
Air and water pollution control whip through Congress ... N Oct 22 34
Air-quality standards for every industrial plant in the nation are under active consideration ... N July 2 21
API backs study of possible effects of chronic and acute exposure to various combinations of air pollutants ... Nov 26 81
API smog-incidence study ... Oct 15 31
ASME standard for dust emission from boilers and power plants ... N Aug 27 96
Antipollution enforcement – hang-up at the local level – Viewpoint ... Oct 15 5
–letter ... Nov 5 7
Auto exhaust emission control hearings ... N Dec 24 23
Automobile industry assailed for its alleged attitude regarding smog-control devices ... N July 2 11
Automotive air-pollution controls for large vehicles ... N Sept 10 34
Bigger role for private industry in pollution control research ... N July 30 18
California auto makers on spot ... Nov 26 38
CPI helped hold down pollutants during N.Y. smog crisis, but tighter controls are likely ... Dec 10 79
Federal research in environmental pollution hearings ... N Nov 26 48
HEW Conferees commends four big industries for curbing pollution ... Dec 24 19
House hearings demolishing the idea that adequate technology exists for pollution controls ... N July 23 25
– letter ... Sept 3 13
Joint Ohio-W. Virginia regulatory agency to police the air ... Nov 19 60
Major legislative efforts in pollution control ... N Nov 5 33
Medical research on airborne mineral fibers could lead to restrictions on asbestos in major uses (table) ... Sept 10 32
– letters ... Oct 8 7
Monthly panels being held by the U.S. Chamber of Commerce for development of new abatement techniques ... N Nov 12 32
National Conference on Air Pollution plans ... N Nov 19 66
Odor-and smoke-modifying additives makers look for market boost in California's work on standards for diesel exhausts ... July 23 75
– letter ... Sept 3 13
Plant sites – report (maps, charts, tables) J.M. Winton ... Oct 29 95
Pollution control study ... N Dec 10 76
States boost cleanup aid – letter ... July 9 7
Sulfur oxide emission standards for federal buildings ... N Dec 3 26
Trichloroethylene – Los Angeles' air-pollution-control agency sets hearings for trichloroethylene that could lead to tight restrictions on use of the solvent ... July 30 14
Trichloroethylene – MCA invites independent laboratories to bid for research contract; some producers consider legal steps on Los Angeles rule ... Oct 1 28
Trichloroethylene producers face serious market difficulties as the result of last week's antipollution action by L.A. Board of Supervisors ... N Aug 6 40
Trichloroethylene producers look to MCA task force for help as N.Y., N.J. and Mass. move to restrict solvent's use ... Aug 20 32
Alabama – South: CPI country (map) ... Oct 15 63
Alaska – Nitrogen fertilizer plants ... July 16 36

Alcohol
Benzyl alcohol prices ... N Dec 17 72
Chlorination process to make fatty alcohol sulfates more soluble ... N July 23 61
Oxo alcohol prices ... N Sept 24 82
PVA see **Polyvinyl alcohol**
Publicker Industries ethanol plant at Philadelphia ... N July 16 29

Algeria
El Paso Europe-Afrique balks at signing gas exploration agreement ... Oct 22 59
French-U.S. consortium to build Algerian petrochemicals complex ... R Aug 13-81, N Aug 27 50
Oil operations differences ... N Nov 19 50
Petrochemical prospects studied ... R Nov 5 49
Alpha-pinene – Process for converting it into the beta isomer ... N Oct 22 82

Alumina
Jamaican alumina project ... N Aug 6 14
PPG offers novel process for making strong crack-free foams of alumina (or other refractory oxides) ... Oct 8 96

Aluminum
Activity in Africa, Japan and Germany ... R Nov 12 54
Aluminum gets a plastic coat ... Dec 24 52
Aluminum ore intimately mingled with oil shale discovered in Colorado ... N July 9 61
Automobile lineup for 1967 shows more plastics and aluminum ... Oct 15 32
Capacity expansions planned by Reynolds Metals and Anaconda Co. ... N Aug 20 27
Intalco's aluminum plant near Ferndale, Wash., dedicated ... N Sept 24 82
Kaiser and Conalco new plant plans ... Dec 24 18
"Lifetime guarantee" offered on aluminum hose siding under attack ... N Dec 3 26
Metals strengthen Northwest mix ... July 30 22
Military set-asides for steel, copper and aluminum ... N July 23 25
Northwest Aluminum project in the Puget Sound area ... N Aug 6 14
Primary-aluminum-smelting plant ... Sept 17 81
Outlook for U.S. industry ... N Nov 26 77
Prospect of a 4-million-tons/year demand for aluminum by '70 lures new producers ... Sept 17 81
Recall of cars for safety adjustments cites the use of an aluminum casing on the brakes of some '67 models of the Rolls-Royce ... N Dec 3 26
Strong demand and firm prices are spurring nonferrous metals producers to boost output ... July 16 33
Teflon-coated aluminum foils C Aug 27-69 ... C Nov 19 117
United Aluminum new U.S. aluminum producer ... N Sept 10 23
Aluminum chloride – Prices ... N Sept 24 81

Aluminum Sulfate
Alum, liquid aluminum sulfate, prices ... N Nov 19 84
Prices ... N July 9 48

American Chemical Society
Chemical Abstracts Service – Selective Dissemination of Information (SDI) program ... July 30 26
New developments described at the national meeting ... N Sept 17 104
Parade of novel polymers continues at ACS meeting: emphasis on fluoropolymers ... Sept 17 121
American Institute of Aeronautics & Astronautics – Meeting ... Dec 10 60
American Institute of Certified Public Accountants – Auditing – CPA Roth: listing new audit steps to prevent another 'soy oil scandal' ... Oct 8 27
– letter ... Oct 29 5

American Petroleum Institute
Backs study of possible effects of chronic and acute exposure to various combinations of air pollutants ... Nov 26 81
Smog-incidence study ... Oct 15 31
American Soc. of Mechanical Engineers – Standard for dust emission from boilers and power plants ... N Aug 27 96

Amines
Armour's beta-amines plant: products derived from petroleum-based materials and made by a new catalytic process ... Sept 10 47
– letters ... Sept 24-7, Oct 1 16
Baird Chemical Industries claims to be the world's biggest producer of tertiary amines ... Oct 1 37
British Hydrocarbon to add ethylene amines ... R July 16 62
Cyclohexylamines ... C Sept 3 47
DDI diisocyanate and A100 modified amine co-reactant prices ... N Oct 29 124
Heterocylic amines ... C Oct 22 98
Jefferson Chemical's ethylene amine plant at Port Neches, Tex. ... N July 9 47

Amino Acid
Dow's methionine complex will supply amino acid to Du Pont and Monsanto ... Aug 13 98
Trimethylsilylated amino acids ... C Nov 5 81

Ammonia
Ammonia building big in the West underscoring in the nitrogen boom ... July 23 22
Apple River Chemical's plant near East Dubuque, Ill., resumes production ... N Dec 24 36
Cylinder-packaged anhydrous ammonia prices ... N Nov 5 60
Shell Chemical's St. Helens, Ore. plant started up ... N July 16 68
Spain asks for plant bids ... N July 30 8
Spanish Continental Oil project ... N Sept 24 24
Ammonia see also **Fertilizers**
Ammonium polyphosphate – TVA distributing limited quantities ... N Aug 27 78

(N Newsletter. R Roundup. C Countdown)

Animal feeds – Seminar will study the effect of veterinary drugs on humans ..... Nov 19 65
Animal Health – Veterinary drug business: FDA – launching a review of claims for 1,100 animal health products – may use stiffer standards in judging efficacy ..... Dec 10 26

Antibiotics
FDA restrictions on use of antibiotics in livestock, poultry, seafood will cut market ..... Sept 3 25
Lederle Labs' stolen information case – Federal judge upholds conviction ..... N Aug 27 50
Rondomycin methacycline, broad spectrum antibiotic ..... N Sept 17 103
Tetracycline cases
American Cyanamid filing lawsuit against Nopco, charging infringement of chlortetracycline process patent ..... Oct 29 42
Patent hearings ..... N Sept 24 36
Tetracycline's tale – patent system in peril? ..... Aug 20 35
Tetracycline's tale – Two strikes against FTC – Viewpoint ..... Aug 20 5
Unusual testimony on the tetracycline patent – and the possibility it was obtained by fraud – will be given by Herbert Lidoff ..... N Sept 3 33
Tetracycline marketing patterns – generics get go sign ..... Dec 10 84
Tetracycline price-fixing charges involving six major distributors new hearings .... N Aug 13 20
Tetracycline prices ..... N Sept 3 57
Antifreeze – Diesel anti-icer ..... C Dec 17 55

Antistatic agents
Antistatic additive ..... C Oct 1 81
Antistatic spray ..... C Sept 17 112
Water-soluble antistatic agent ..... C July 16 102

Antitrust
Acquisitions and mergers see also under individual names in **Company Index**
Antitrust issue of diversification – P&G's acquisition of Clorox ..... N July 9 27
Antitrust proposal for the world: Senator Hart's plan for agency to probe international mergers, cartels ..... Sept 10 31
Applying antitrust law to the U.S. patent system: Justice Dept. plans to use Clayton Act principle on acquisition and licensing of important technology .... Nov 19 60
Arnold, Schwinn & Co., "franchise" system case (table) ..... Oct 8 31
Assistant Attorney General Donald Turner is still very much in control of the Antitrust Division ..... N Oct 1 33
California rice farmers charge herbicide price fixing ..... Nov 12 26
Chicago works out settlement with Morton "overcharges" on rock salt ..... N Nov 12 17
Chlor-alkali price-fixing suit; consent judgment ..... N Dec 17 29
Conglomerate mergers-FTC steps up attack ..... N July 16 40
Conoco-Malco Refineries merger – Justice Depart. challenges merger ..... N Aug 27 50
Corporate veil covering operations of conglomerates will become more transparent ..... N Oct 1 33
EEC comes out for competition: Common Market tribunal puts teeth into sales-contract antitrust regulations ..... Aug 13 106
El Paso Natural Gas and Pioneer National title insurance cases (table) .... Oct 8 31
FTC hearings on vertical integration in the cement industry ..... July 23 21
FTC vs. Procter & Gamble (table) ..... Oct 8 31
Foremost Dairies – McKesson & Robbins dairy-drug match awaits blessing (chart). Dec 24 20
General Dynamics calls divestiture order 'unjustified'; U.S. lauds reciprocity ruling ..... Sept 10 30
General Dynamic's plan of divestiture for Liquid Carbonic Div. okayed ..... N Dec 10 19
Joint ventures hit by FTC: Phillips-Distillers petrochemical operations dissolved; similar ventures face scrutiny ..... N Aug 13-19, N Aug 20 47
Justice Dept. charges that Schlitz's acquisitions constituted a monopoly in beer sales on the West Coast ..... Nov 19 60
Katzenbach: upholding a tough antitrust policy ..... Oct 8 30
Legality of some 400 cease-and-desist orders issued by FTC before '59 will be decided by Supreme Court ..... N Oct 29 48
Medical laboratories are under attack for "artificially high" fees charged for tests ..... N July 16 39
NOJC considers civil antitrust suit against electric and gas utilities ..... N Nov 12 31
Penn-Olin chemical joint venture; Justice Dept. to ask court to rule that the joint venture violates the antitrust laws ..... N Oct 22 34
Phillips Petroleum-Tidewater Oil merger July 23-23, N July 23-26, N Aug 13-19 N Sept 3 19
Plumbing fixture producers charged with price-fixing ..... N Oct 15 38
Salt price fixing suit – cash settlements .... Nov 12 26
Sealy, Inc. "franchise" system case (table) ..... Oct 8 31

Area Developments
Canada's Atlantic provinces lure new business with power, ports and plants (map). Nov 19 68
Charleston, West Virginia: closeup ..... Nov 19 123
– letter ..... Dec 17 5
Chemicals: Puerto Rico's new harvest Bruce Bendow ..... July 23 29
Italian government to pump $2.6 billion into its backward South – more than half will go toward encouraging industrialization.. Aug 20 66
Lake Charles, La. looks for new chemical industry lures (map) ..... July 2 23
Louisiana shows the way? – Viewpoint .... Oct 22 5
Louisiana – West Baton Rouge property owners turn down a proposed $20-million bond issue to acquire industrial land for lease ..... N Dec 10 20
Metals strengthen Northwest mix ..... July 30 22
North Sea: newcomers take up challenge of finding gas and oil (map) ..... Sept 3 26
Pacific Northwest – Bonneville braces for the big buildup of electrochemical companies (chart) ..... Oct 1 23
Park Ave.'s CPI row ..... Sept 10 82
Siberia: new chemical frontier ..... Sept 24 39
– letter ..... Nov 12 7
South: CPI country (map) ..... Oct 15 63
Texas – Building at Bayport ..... Nov 12 25
Your City, your "world" – Behind the News ..... Nov 19 5

Argentina
Greater economic freedom for private capital in Argentina? ..... N July 9 13
Rubber products tariff increased ..... R Dec 17 63
Aries, Robert – Convicted in absentia by Geneva court ..... N Oct 1 19

Aromatics
Japanese schedule new capacity ..... R Oct 22 55
Phenylene linkages introduced into aromatic molecules ..... N Nov 26 92
Process for making aromatic derivatives of fatty compounds will sharply cut the price of phenylstearic acid ..... N Sept 10 89
Art – Synthetic resins rescue Italian art treasures damaged by floods ..... Dec 3 23

Asbestos
Chrysotile asbestos – Avibest-C: versatile new materials are made by isolating microcrystalline segments of polymers .... Oct 1 71
Medical research on airborne mineral fibers could lead to restrictions on asbestos in major uses (table) ..... Sept 10 32
– letters ..... Oct 8 7

Asphalt
Bids for asphalt plant in Spain ..... R Nov 12 54
Thin layer of asphalt below the surface of sandy soil can boost crops and conserve water ..... N Dec 10 90

Atomic Energy Commission
Atomic fuel: crush begins ..... July 2 15
Fight to develop irradiated plastic-impregnated wood ..... N Sept 3 34
First production of useful nuclear power with plutonium ..... N Dec 3 76
Isochem recovers radioactive-waste storage space in the successful operation of an in-tank waste solidification unit at AEC's Hanford Works ..... N Aug 27 96
Proposals for uniform record-keeping system for radiation exposure under MCA attack ..... N Oct 1 34
Radiation-based chemical processes (chart & table) ..... Dec 17 84
Revised system of technical specifications for operation of nuclear reactors ..... N Aug 27 66
Technique for detecting traces of leaked coolant in the corrosive gas atmosphere of the gaseous diffusion cascades using mobile, automated gas chromatograph ..... Dec 10 87
Three processes for solidifying liquid waste from nuclear power reactors ..... N Aug 13 117
Trial program of informing industry of potentially useful "spin-off" technology ..... July 30 26
World's biggest desalting project in southern California plans uncertain ..... N July 23 26

Atomic Power
Atomic fuel: crush begins ..... July 2 15
Cost of chemical reprocessing of nuclear fuel will drop ..... N Oct 29 137
First production of useful nucelar power with plutonium ..... N Dec 3 76
GE nuclear fuel recovery plant in Illinois planned ..... N Sept 24 23
Nation's nuclear industry: topping off a year of triumph ..... Dec 24 17
Nuclear energy and in-situ retorting study ..... N Oct 15 94
Nuclear explosion used to help recover oil from oil shale ..... N Sept 3 72
Nuclear Fuel Services' West Valley, N.Y. plant for the chemical reprocessing of spent nuclear fuel ..... Oct 29 85
– letter ..... Nov 26 16
Nuclear reactors off the shelf ..... N Dec 24 45
Potential importance of nuclear power questioned ..... N Nov 5 34
Radioactive chemicals growing importance in medicine and industry underscored by two newly arranged acquisitions ..... Aug 13 28
Research on radioactive sodium ..... N Sept 3 71
TVA chooses GE's BWR for plant at Browns Ferry, Alabama ..... N Oct 29 137
Three processes for solidifying liquid waste from nuclear power reactors ..... N Aug 13 117
Utilities: the choice is nuclear ..... Nov 19 87
Auditing – CPA Roth: listing new audit steps to prevent another 'soy oil scandal' ..... Oct 8 27

Australia
ABS plastics plant ..... R Oct 15 97
Chemical tariffs are being drastically increased ..... N Nov 19 84
First major deposits of phosphate discovered ..... R Nov 19 98
Phosphate exploration ..... N July 2 31
Austria – Plastics projects planned ..... R Oct 1 62

Automation
Automated equipment for clinical analyses promises to open vast new market for medical reagents ..... Nov 19 77
Automated laboratory ..... C Sept 24 113

Automobiles
Auto exhaust emission control hearings.. N Dec 24 23
Automobile industry assailed for its alleged attitude regarding smog-control devices ..... N July 2 11
Autos dampen the credit spree – Business Benchmarks ..... Aug 6 66
Automotive air-pollution controls for large vehicles ..... N Sept 10 34
Ban on gasoline-powered cars in California by '80 suggested ..... N Dec 3 75
California auto makers on spot ..... Nov 26 38
Catalytic devices see **Air Pollution**
Chemical makers join the '67 car rebellion – more plastics and aluminum ..... Oct 15 32
Electric car may be powered by lithium battery ..... N Oct 15 93
Electric cars have a great deal to recommend them ..... N Sept 24 94
Electric cars development pushed ..... N July 2 42
Electric cars' interest triggered by involvement of auto firms, but all agree batteries will not replace gasoline .... N Oct 29 133
Expanded use of plastics by auto makers seeking safer designs ..... July 9 23
Federal safety regulations for '68-model cars ..... N Dec 10 33
Federal standards for autos and tires only a matter of time ..... N Aug 6 27
Ford's battery-powered automobile program ..... N Sept 24-93, N Oct 8 92
GM unveils work on battery and fuel-cell-powered cars ..... N Nov 5 74
Government's seat at auto-industry drawing boards now is assured ..... N Aug 27 65
Intensive study of new car warranties ..... N Dec 24 24
Magnet makers turn up the heat – auto industry sets the pace in growing market for permanent magnets, particularly ceramics ..... Sept 10 101
New-car sales dip ..... Nov 12 22
Plastics consumption in autos ..... N Nov 19 84
Private patents will be almost impossible to get under provisions of the new auto-safety law ..... N Sept 10 33
Recall of cars for safety adjustments, cites the use of an aluminum casing on the brakes of some '67 models of the Rolls-Royce ..... N Dec 3 26
Sales department car fleets and leased trucks will cost more due to price revisions ..... N Oct 8 75
Senate's auto safety bill is tougher than requested ..... N July 2 21
Standards for '68-model cars from GSA .... N July 23 26

Awards
Kirkpatrick Award
Celanese wins top honor – Viewpoint .... Sept 17 5
Celanese Corp. – '66 recipient of the Kirkpatrick Award for Management Achievement: winning team captures new kudos – report Bruce Bendow ..... Sept 17 55
Presentation ..... Dec 10 28
Azide – Tert-butoxycarbonyl azide ..... C Sept 3 47

B

Bactericides – Mildew and bacteria inhibitor ..... R Oct 8 106
Ball-point pens – Marker-writers create booming new market: Soft-tip pens, may win one-third of total U.S. writing-instrument sales in '66 ..... Aug 6 30
Balls – 'Homogeneous' molded synthetic ball aims for golf ball market by '67 ..... Oct 15 47

Barges
Barge traffic on the Tennessee River set a new record in the first half of '66 ..... Aug 27 64
Pennsalt new 250-ft. oceangoing barge to transport mixed chemicals ..... Oct 8 72

Batteries
Battery based on tiny solid-organic-electrolyte cell ..... Aug 6 59
Development work on a zinc-air battery being accelerated ..... N Sept 17 103
Electric cars have a great deal to recommend them ..... N Sept 24 94

(N Newsletter. R Roundup. C Countdown)

Electric cars interest triggered by involvement of auto firms, but all agree batteries will not replace gasoline ..... Oct 29 133
Ford's battery-powered automobile program ..... N Sept 24-93, N Oct 8 92
GM unveils work on battery and fuel-cell-powered cars ..... N Nov 5 74
Lithium battery might power an electric car ..... N Oct 15 93
Nickel-cadmium vs. lead-acid batteries battle for standby jobs (June 18-63) – letter ..... Aug 27 12
Baus, Barney – 'Continental' businessmen living in Puerto Rico find it pleasant, but most never quite feel at home ..... Oct 8 67
Bauxite – Refractory brick ..... N Dec 10 76
Beer – Justice Dept. charges that Schlitz's acquisitions constituted a monopoly in beer sales on the West Coast ..... Nov 19 60
Behind the News – Aug 13-5, Nov 19-5, ... Dec 10 5

Belgium
Benelux plastics head for expansion ..... R Aug 6 49
Chemical industry report ..... Nov 19 104
Phillips, Texaco plan projects ..... R Aug 20 59
Rhodes, A. William of Dow-Corning – his foreign assignment: Brussels ..... Nov 5 52

Benzene
Prices ..... N Sept 24-82, N Oct 8-76, N Nov 26 77
Spain's aromatics complex ..... N Nov 26 34
U.K. refinery includes benzene ..... R Aug 13 82

Benzenoid
ASP hassle ..... N Sept 24 23
ASP issue remains up in the air ..... N Nov 19 50
ASP – Johnson Administration will make a decision on the "American Selling Price" system for valuation of imports.. Oct 1 25
'Equivalent duty' rate on benzenoid chemicals; Tariff Commission overhauls its converted (from ASP) rates (table) ..... Aug 6 21
Producers battle for status quo on tariffs: DuPont says its profit on benzenoids would be turned into a large loss under Herter's GATT proposal ..... Sept 17 40
Benzyl bromide ..... C Oct 1 81
Bismuth – "Frosty" look in cosmetics is putting a new icing on bismuth sales ..... Dec 3 33
Blasting – Blast grit ..... C Aug 13 132

Bleaches
Aromatic peracid from PPG ..... C Oct 22 81
Penetrant and brightener ..... C Nov 26 28
Powdered bleach ..... C Oct 29 142
Bleaching – Pulping report: bleach chemicals (tables) ..... Nov 26 66
Kraft vs. sulfite: goal is higher yields ..... Nov 26 69
Blowers – Supersize blowers ..... C Oct 1 81
Boilers – Waste-heat boiler ..... C Dec 10 70

Bonding
Bonding system for EPDM rubber ..... R Oct 8 106
Coal-based adhesives bidding for metal-bonding markets ..... Nov 5 77
Bonneville Power Administration – Electrochemical companies in big buildup in Pacific Northwest (chart) ..... Oct 1 23
Book Reviews – "Measuring Advertising Readership and Results" (McGraw-Hill) – Viewpoint ..... Sept 10 5
Boron – Price drop for filaments due to process improvements ..... N Nov 26 92
Borum, Rodney L. – Business & Defense Services Administration new head ..... N Oct 8 36
Bottles – High-density polyethylene milk bottles are displacing paper and glass containers ..... July 9 51

Brazil
Fertilizer complexes, Ultrafertil, S.A. ..... Dec. 3 21
Fertilizer plants ..... R Oct 8-62, R Oct 22 55
Plastics plant ..... R Oct 15 97
Spate of chemical plants slated ..... R Oct 22 50
Bulgaria – New chemical goals ..... R Dec 3 55
Business & Defense Services Administration – Borum, Rodney L. is new head N Oct 8 36
Butenes – Shawinigan Chemical's plant to make ethylene and butenes from propylene ..... N July 16-77, July 23 70
Butyl methacrylate – Synthetic resins rescue Italian art treasures damaged by floods.. Dec 3 23

Buyers' Guide
Chemicals ..... Oct 15 Pt. Two
Equipment/Packaging ..... Oct 22 Pt. Two

C

CN – aerosol packaged tear-gas, Chemical Mace ..... July 16 88
California Institute of Technology – "Dry water" and "elastic water" that flows uphill ..... N Dec 17 81

Canada
Canadian tariff hassle ..... Oct 1 59
Chemical tariff schedule (table) ..... July 2 17
Coming out of the economic cold (map) Nov 19 68
Digging in for a potash battle: increasing Canadian output sparks competition and weakens prices as producers jockey for markets (chart) ..... July 2 33
Fertilizer splurge due to record wheat crop Sept 10 74
